g) **PRAYAAS-An Entrepreneurial Programme**

Entrepreneurship demands creativity, innovation ability to take up challenges, exploration of business opportunities development of ideas and implementation in a creative way to turn it into a profitable endeavor. Successful entrepreneurship revolves around innovation, organization, planning, and execution. Entrepreneurship projects for DAV-15 school students is used as a tool to assess the potential of these young minds to become young entrepreneurs. Students get to learn the value of hard work, determination and how to stay focused on the goals set, and work towards the achievement of the same.

PRAYAAS, an Entrepreneurial Skill enhancement Programme is organised from time to time to hone the 21 st century skills including creative and critical potentialities of students. Students from Classes 8 to 12 are engaged in skill enhancement programs that nurtures teamwork,creativity and reflection along with management of resources.Under this Programme they make Organic handmade Soaps, candles and chocolates which they sell at a nominal margin.

This gives them creative impetus by engaging in experiential learning activities, competency based education and application of innovative ideas to ensure joyful learning experiences with various methodologies and strategies.
