STRUCTURE STABILITY CERTIFICATE

Certified that I SANJEEV KUMAR SHARMA (Structure Engineer) having MCD Structure Engineer Registration No: SE-03, R/o of D-113 Mahendru Enclave, G.T. Karnal Road, Delhi-33, have examined the existing structure of Building of **SLS DAV PUBLIC SCHOOL School situated at Mausam Vihar, Delhi-110051,**

It is certified that I have personally visited the building on 09/12/2019 and checked the building visually.

I hereby certify that the existing structure of the above mentioned building satisfy the safety requirements as stipulated under clause relevant clause of UBBL 2016 including National Building Code of India with latest amendments and the information given therein is factually correct to the best of our knowledge and understanding.

It is also certified that the structural design including safety from natural hazards based on soil conditions has been duly incorporated in the design of the building as per calculation of load with accordance of compressive stress and slenderness ratio and considered safe and sound with all respect.

The building is safe and sound structurally in all respect.

10/12/2019
