SUMMER VACATION SKILL PACK FOR
THE
SESSION-2020-21(CLASS -3)**

Summer Break is the time
Of sunshine and flowers
Birds in their nests,
And one or two showers.
Games to play and kites to fly,
Or just looking at the sky.
Enjoy creative activities
And stay in good mood,
Build your immunity and
Eat homemade food.
Don't go out in this summer break
Wait for some time
And everything will be fine.

**Hello
Kids!**

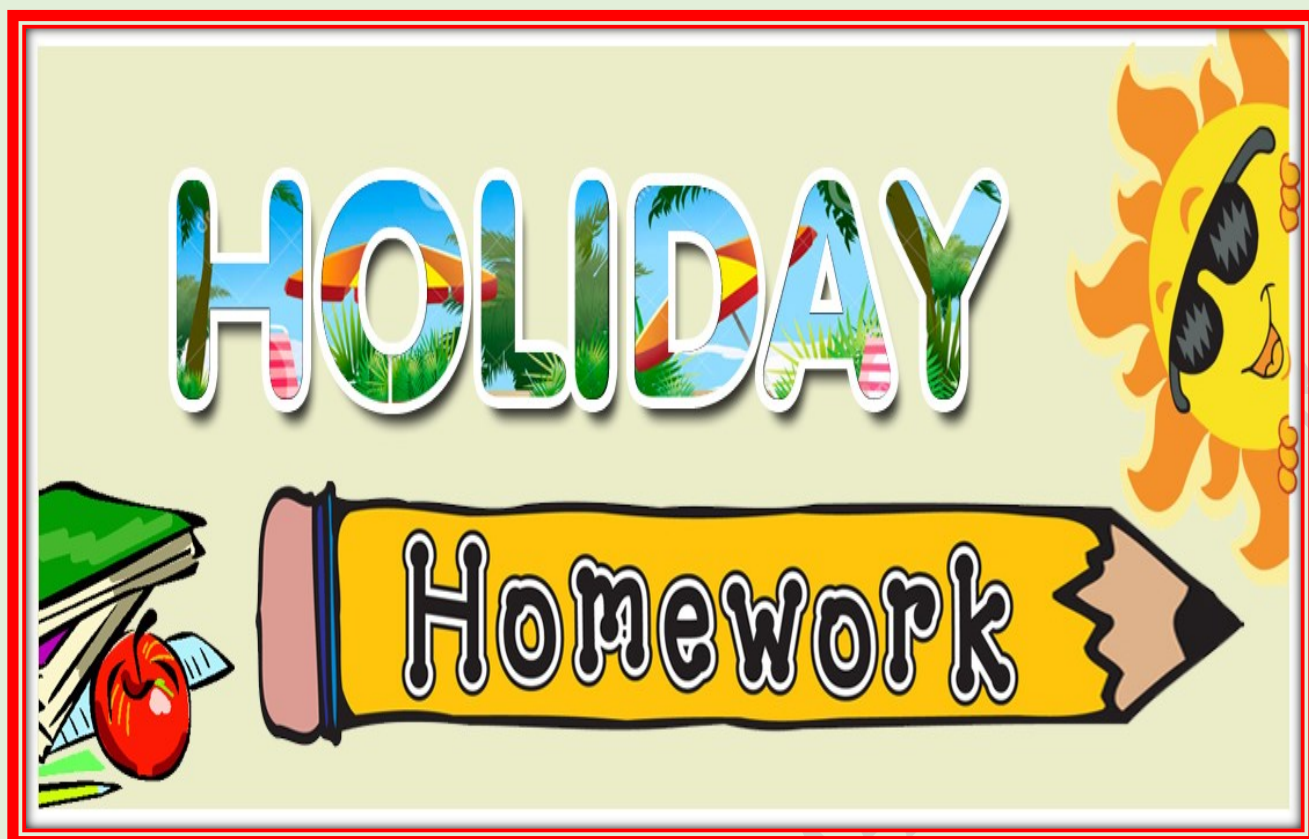

**Exciting
time is here
again! It's
time for summer vacation and
fun filled activities. Children
you are reservoirs of potential
which needs to be tapped and
channelized in diverse ways.
Summer Vacation is the best
time for learning and
nurturing creativity. It is the
time when you can do various
activities in your own creative
ways.**

**This year due to global pandemic of Covid-
19 situation, we will enjoy our vacations in
a different way keeping all the fun and**

frolic indoors. We have planned the holiday homework to provide you all a virtual travel to the beautiful land of North-Eastern state i.e. Sikkim.

Sikkim is a state in northeast India, bordered by Bhutan, Tibet and Nepal. Part of the Himalayas, the area has a dramatic landscape that includes India's highest mountain, 8,586m Kangchenjunga. Sikkim is also home to glaciers, alpine meadows and thousands of varieties of wildflowers.

This homework primarily aims at making you learn new and interesting things about Sikkim by doing various art-integrated activities.

ENGLISH

1. You visited Sikkim to your friend's house. He arranged your visits to various places in Sikkim and sight-seeing too. Show your gratitude by making a Thank you card for your friend. Mention how wonderful your stay was and how much you enjoyed. Few images have been given for reference:

SCIENCE

Sikkim

In January 2016, Sikkim became India's first "100 percent organic" state. Today, all farming in Sikkim is carried out without the use of synthetic fertilisers and pesticides, providing access to safer food choices and making agriculture a more environment-friendly activity. Sikkim is also home to glaciers, alpine meadows and thousands of varieties of wildflowers.

Activities for you –

1. Find out which is the state animal of Sikkim. Write few lines about the animal.
2. Identify what types of plants exist in Sikkim. Draw and colour any three types of prominent plantation in Sikkim
3. Identify two most famous plantations grown in Sikkim. Write at least two health benefits of each of these items.
4. List top 5 animals which are found in Sikkim and write 3 lines for each animal identified.
5. Craft a cat using paper sheets at home.
