

ABOUT SCHOOL

The school was borne out of the sincere efforts made by Bhilai Steel Plant well responded by DAV CMC with the purpose to cater the educational need of the residents of Bhilai Township. DAV is an established name in the field of education and has more than 1000 institutions across the country independently as well as in collaboration with public and private sectors of high repute. This institution is primarily located in the heart of Bhilai ready to cater to the needs of local residents who otherwise failed to get the quality education among the mushrooming schools in the city.

The school from its inception in 2016 till date has grown huge and fast both academically and socially and has marked its impression and position among the mushrooming schools in the city. It provides Audio as well as Visual aids and computer lab facilities along with vast playground value education curriculum library safe and pure health facilities with a duo interaction and involvement of Parents and teachers
