Dear Parents and Students

Greetings of the day!

Considering the urgency of the advisory issued by Ministry of Home Affairs, Govt. Of India and the information received from many other sources on the cyber threats caused by Zoom App, we have decided to discontinue the online teaching through this platform. This is resolved to keep you and the teaching staff protected from any kind of cyber crime and leakage of sensitive information. We are in search of a safe, encrypted, user-friendly and multitasking platform for the benefit of all stakeholders. You will be informed about the secured app as soon as our expert team finds it out. Till then the classes on Zoom will remain suspended with immediate effect for Classes VI -XII. However, classes for UKG - Std. V will continue on whatAapp. You are also requested to terminate the Zoom App (deleting or uninstalling is not enough) from all your devices for your safety.

Please follow the following steps to terminate the Zoom app:
