SCIENCE

Festival time always leads us to indulge in excessive eating. Let us celebrate Dussehra in a healthy way by following a healthy diet plan.

Present your work neatly in a scrapbook.

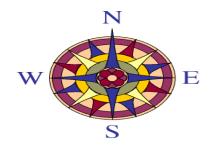

Q-1.Plan a menu (breakfast, lunch and dinner) for your family for 3 days based on the information given in the food pyramid shown below. Write day wise menu neatly in columns.

Q-2. You are aware that we need food and water to live. But our body also needs exercise and rest to stay healthy. Play the game given in the link below and find how these factors are linked. Write your observation in 3-4 sentences.
