

CIRCULAR

DAVPS/AV-IV/CIR/23-24/37

Date: 30.10.2023

Dear Teachers,

We would like to inform you about the schedule for the Daily Drop Everything and Read (DEAR) period, which takes place every day from 8:40 to 8:50, except during the club period.

The DEAR period is an essential part of our daily routine, designed to promote reading and literacy among our students. During this period, all students are expected to drop whatever they are doing and immerse themselves in reading a book of their choice. As teachers, your participation and support in ensuring the smooth functioning of the DEAR period is highly appreciated.

Here are some key points to keep in mind:

DEAR Period Timing:

The DEAR period will occur daily from 8:40 AM to 8:50 AM.

Your Role:

During the DEAR period, please encourage students to read quietly and attentively.

You may also choose to read alongside the students to set a positive example.

Club Period Exception:

The DEAR period will not take place during the club period. Students who have club activities during this time should make an effort to read at another convenient time in their schedule.

Classroom Environment:

Ensure a calm and conducive reading environment in your classroom.

Encourage students to bring their own reading materials or provide a selection of books for those who may not have one.

Record Keeping:

Please keep a brief record of any issues or noteworthy observations during the DEAR period, and report them to the designated staff.

We believe that the DEAR period contributes significantly to the intellectual development of our students. By fostering a love for reading, we empower them with valuable skills for a lifetime. Your cooperation and commitment to this program are greatly appreciated.

Yours sincerely

Ms. Kusum Bhardwaj
Principal
