Important Health Advisory

**Dear Parents,
Warm Greetings!**

At our school, the wellbeing and safety of our students are of the utmost importance to us. With the recent occurrence of fever and conjunctive cases in the community, we are writing to inform you about some essential preventive measures and guidelines to ensure the health and safety of our students.

- If your ward is experiencing fever or symptoms of conjunctive, please do not send them to school until they have fully recovered.
- Encourage proper hygiene practice at home

Thank you for your understanding and support

Wishing you and your family good health

**Mrs. Kusum Bhardwaj
Principal**
